## TRUSTEES' ANNUAL REPORT

# YEAR ENDED 31<sup>ST</sup> DECEMBER 2017

The Trustees present their report along with the financial statements of the CIO for the year to 31<sup>st</sup> December 2017. The financial statements have been prepared in accordance with the accounting policies set out on page 10; comply with the CIO's constitution, applicable law, and follow best practice as laid down in the SORP FRS 102.

The reference and administrative information set out on page 1 forms part of this report.

## 1. Structure, Governance and Management

Newcourt Community Association is a Charitable Incorporated Organisation (CIO) which is governed by an 'associated' model Constitution adopted on 16 June 2013. The charity was registered with the Charity Commission on 12 July 2013, and took over the bank balance as at that date of its predecessor, the unincorporated association 'Newcourt Community Association'.

The NCA is governed by a board comprising a minimum of 3 and a maximum of 12 appointed trustees, of which at least two thirds of the trustees must be residents of Newcourt and voting members of the NCA. New trustees are appointed either through being elected by the members, or co-opted by the existing trustees. New trustees appointed by the existing trustees must retire at the next AGM following their appointment, and one third of the trustees appointed by the members must also retire at the AGM. This ensures that there will always be an opportunity for at least four new trustees to be appointed each year at the AGM.

This year the trustees have established two committees to assist with the day to day operations of the NCA:

The Operations Committee is responsible for providing day to day executive management and oversight of NCA activities, events, groups and teams, consistent with achieving the goals and objectives of the 5 year plan.

The Community Centre Operations Group is responsible for providing oversight, guidance and direction to the routine operations of the community centre.

The trustees have identified any major risks facing the NCA and taken such steps as they can to mitigate them.

## 2. Objectives, Activities and Public Benefit

The charity's objects are to:

 benefit the residents of the Newcourt district of Exeter, Devon and its neighbourhood (without distinction of sex, sexual orientation, race or of political, religious or other opinions) by associating together these residents and the relevant local authorities, voluntary and other organisations in a common effort to improve community life and to provide facilities in the interests of social welfare and the local environment with the objective of improving the conditions of life for the residents.

In furtherance of these aims, but not otherwise, the CIO shall:

- communicate local information, gather and consider residents' ideas, concerns and opinions;
- · design, manage and promote activities;
- consult and liaise with local authorities and other relevant parties.

The trustees are satisfied that the charity's objects meet the public benefit purpose of the advancement of community development.

#### 4. Achievements and Performance

The NCA has had a very active year, supporting a community that has grown from approximately 1,250 to 1,400 homes in 2017. The main areas of activity include:

- Leading and growing the NCA; including encouraging the involvement of new trustees; launching a 5 year planning process and workshops; agreeing values, mission and vision, goals and objectives.
- Engaging & communicating with residents through an updated web site; a residents' survey; a twice-yearly newsletter; a growing residents' email list; more public meetings for residents.
- Improving the environment, traffic flow and safety through parking proposals submitted to DCC; assessing likely IKEA traffic build-up; supporting the Train Station group and Britain in Bloom.
- Operating & improving the Community Centre, through establishing the community garden and maintaining an operating surplus - alongside providing the facilities for the first two terms of the new primary school in advance of the completion of the School build.
- Encouraging and supporting a range of community activities: including Street dancing; Babies and toddlers; Litter picks; Quiz nights; BBQs; Carols on the Green; Job club; Summer, Halloween and Christmas events.
- Providing effective and robust financial management (see section 5).

## 5. Financial Review

The charity made a cash surplus in the year of £45,713 (2016 – cash surplus £42,366).

Total cash receipts were £112,832 an increase of 45% compared to the previous year. Significant grants were received or drawn down during the year and rental income from the Community Centre showed a 69% increase compared to 2016. The income for the community centre was £67,558, an average monthly income of £5,630.

Total cash payments were £67,119 an increase of 90% compared to 2016. Salaries costs showed increase with additional staff employed. Most cost categories increased compared to 2016 with greater use of the Centre. Community centre payments showed a 48% increase compared to 2016. The expenditure for the Community Centre was £46,818, an average monthly expenditure of £3,901.

Total cash funds at 31<sup>st</sup> December 2017 totalled £110,799. £105,370 is held by the trustees in a <u>separate unrestricted fund</u> to continue to develop the community centre including an operating balance £48,016 and residual of grant provided from Exeter City Council £57,354 to be invested in 2018. The 'draw down' grant from Exeter City Council has now been fully drawn down. The Community Centre made a surplus of £51,453.

The remaining <u>unrestricted funds</u> totalling £5,429 have been assigned by the trustees to be spent as outlined in note 3 on page 10 of the financial statements.

## TRUSTEES' ANNUAL REPORT

# YEAR ENDED 31<sup>ST</sup> DECEMBER 2017

#### 6. Reserves

The charity's reserves including the unrestricted community centre fund total £110,799 at the year-end. The reserves cover adequately all current and anticipated financial commitments including:

- payroll and other operating costs of the NCC
- general management and administration costs of the charity
- maintaining regulatory compliance as an employer e.g. employment contracts, policies, health and safety
- maintaining regulatory compliance as a charity e.g. new data protection legislation
- provision to protect/maintain significant key installations (eg lifts, fire escapes)
- cash buffer for emergencies

The trustees continually review their reserves and as the charity grows will ensure any further monies are set aside if necessary to ensure all financial commitments continue to be met. Equally, as the charity grows, any surpluses will continue to be spent on the charity's objectives including:

- the goals and objectives as stated in the 5 year plan
- improving the management tools, processes and systems at the NCC
- improving the facilities and equipment at the NCC
- offsetting local competition from other facilities with rooms for hire

The trustees are developing a more robust financial planning process to more accurately forecast and prioritise the demands on the charity's reserves and surpluses, and which will be aligned with the periodic review and update of the 5 year plan.

#### 7. Plans for the Future

The purpose of the 5-year plan is to ensure that the NCA has clearly defined goals and objectives that are consistent with its stated mission and vision statements. Goals provide a general sense of priority and direction for the charity's activities and events, and the investment of its financial resources. Objectives define specific and measurable things that should be completed by a certain date. Goals can look as far ahead as five years; objectives tend to be limited to the current year.

The plan is regularly reviewed and updated, approved and published by the trustees each December.

#### Goals

- Increase the number and diversity of residents who actively contribute to leading and organising NCA activities.
- Develop a succession plan for NCA Trustees and Officers, and key team leaders and members.
- **Develop a training programme** for Trustees and Officers, and team leaders and members, to include governance, planning and problem-solving skills.

## TRUSTEES' ANNUAL REPORT

## YEAR ENDED 31<sup>ST</sup> DECEMBER 2017

## 7. Plans for the Future (continued)

- Support the establishment of the new Primary School, including the election of appropriate community & parent governors.
- Minimise the need for further grant funding from the local Council beyond that already pledged.
- **Provide timely communication** with residents about NCA goals and objectives, community activities and events, and matters of local interest.
- **Develop a relationship with ECC and developers** whereby they proactively communicate with the NCA on all planning and development matters that could impact Newcourt residents.
- Establish and maintain good relations with the local IKEA management team.
- Continue to address issues identified in the adoption survey.
- Campaign for a Multi-Use-Games-Area (MUGA), to be constructed at the same time as the new housing development adjacent to the IKEA store.
- Provide a wide range of revenue-generating classes and activities to benefit the community.
- Be a good neighbour for local residents with respect to noise, safety and anti-social behaviour.
- Organise community events and activities that help bring residents together.
- · Increase the number of youth activities.
- Increase the number of complimentary community activities and events in the community centre.
- Explore opportunities to expand local neighbourly engagement groups.

## **Objectives**

Specifically through 2018 we want to:

- Plan for our Community Centre to provide an even better experience for users of the Centre and enables
  us to increase the operating surplus by 5% compared to the last quarter of 2017.
- Support the newly council-appointed Community Builder in her new role in Newcourt.
- Develop a social media communications strategy.
- Strengthen relationships with our councils and developers so that we can ensure the best possible implementation of the Phase 1 proposals from the adoption team.

The biggest challenge the NCA faces is finding residents who have the time, inclination and enthusiasm to help in making a difference to this growing community. The specific goals of the 5-year plan will not be realised unless more residents get involved for the benefit of the whole community

## NOTES TO THE FINANCIAL STATEMENTS

## YEAR ENDED 31 DECEMBER 2017

## 1. ACCOUNTING POLICIES

## **Accounting Convention**

The financial statements are prepared under the receipts and payments basis and comply with the Charities Act 2011 and follow best accounting practice as laid out in the SORP FRS 102.

## 2. TRUSTEES' REMUNERATION AND EXPENSES

No remuneration, directly or indirectly, out of the funds of the charity was paid or is payable for the year to any of the trustees, or to any other person or persons known to be connected to any of them.

No reimbursement of expenses in respect of services provided has been made or is due to be made to any of the trustees.

#### 3. FUNDS

## **Restricted Community Garden Fund**

A grant of £12,000 was offered from 'Tesco Bags of Help Scheme' for the community garden. £9,000 was received during 2016 with a further £3,000 received following successful review and monitoring of the grant in 2017. This fund has now been fully spent.

## **Unrestricted Community Centre Fund**

Grants from Exeter City Council were originally given to establish and develop the community centre. The fund is unrestricted but has been shown separately to facilitate monitoring by the trustees.

## **Unrestricted Funds**

The remaining monies are held in the charity's unrestricted funds. A grant of £8,000 was offered by Devon County Council, from the local Councillor's Locality Budget, to assist with some small projects, such as the community garden, children's events (Christmas/Summer), community centre lighting improvements, parking and road adoption issues, 'dead tree' replacement etc. The year- end cash balance of £5,429 comprises as follows:

Devon & Cornwall Housing Grants, £0, Devon County Council Grant, £2,869, Exeter City Council Grants, £215, NCA (Events Team), £328, NCA (Pop-up café), £268, Community Arts Newcourt £110, Other Funds, £1,639.

## .4. TRANSFERS BETWEEEN FUNDS

A transfer of £90 was reallocated to the unrestricted funds from the unrestricted community centre fund during the year. A transfer of £108 was transferred to the unrestricted community centre fund from the unrestricted funds during the year.

Expenditure exceeded the grant income in the restricted community garden fund and a transfer was therefore made of £3,004 from the unrestricted fund to the restricted fund to cover this expenditure.

#### 5. OUTSTANDING GUARANTEES

The trustees confirm, in accordance with the Charitable Incorporated Organisations (General) Regulations 2012, that at the period end the CIO did not have any outstanding guarantees to third parties nor any debts secured on assets of the CIO.
